Saw my baby down by the river, Knew she had to come up soon for air.
Sweet blossom come on, under the willow, We can have high times if you'll abide,
We can discover the wonders of nature, Rollin' in the rushes down by the river side.

Takes the wheel when I'm seeing double, pays my ticket when I speed.

[Solo over verse]

She comes skimmin' through rays of violet, She can wade in a drop of dew.
She don't come and I don't follow, Waits backstage while I sing to you.
She can dance a cajun rhythm, Jump like a willys in four-wheel drive.
She's my summer love in the spring, fall, and winter, She can make happy any man alive.

She's got everything delightful, she's got everything I need,
A breeze in the pines and the summer night moonlight, Crazy in the sunlight, yes indeed.

Sunshine daydream, walking in the tall trees,
Going where the wind goes, blooming like a red rose,
Ride out singin', I'll walk you in the morning sunshine, sunshine daydream...
