E	Please don't dominate the rap Jack, If you got nothin' new to say. If you please, don't back up the tracks, This train's got to run today.
E E7 // E E G D A E G D A E G D A A	I spent a little time on the mountain, Spent a little time on the hill. I heard some say, better run away; Others say better stand still. Now I don't know but I been told that It's hard to run with the weight of gold Other hand, I've heard it said, It's just as hard with the weight of lead
E E E7 // E E G D A E G D A E G D A A	Who can deny, who can deny, It's not just a change of style. One step done and another begun, And I wonder how many miles. I spent a little time on the mountain, Spent a little time on the hill, I saw things getting out of hand I guess they always will. Well, I don't know, but I've been told In the heat of the sun a man died of cold Keep on comin' or stand and wait With the sun so dark and the hour so late.
E	You can't overlook the lack, Jack,

	<p>Of any other highway to ride, It's got no signs or dividing lines, And very few rules to guide.</p>
<p>E G D A E G D A A</p>	<p>Now I don't know but I've been told If the horse don't pull you got to carry the load. I don't know whose back's that strong; Maybe find out before too long.</p>
E	<p>One way or another, one way or another, One way or another, this darkness has got to give.</p>
